**Deadline for entries:
Friday 18th June 2010**

Complete and send with your school's entries to:

Cancer Research UK's SunSmart Competition, Health Information, 3rd Floor, 61 Lincoln's Inn Fields, London WC2A 3PX

Entry Checklist

- I am sending in my school's completed competition entries.
 - KS1/P1-3 level – Maximum of five pledge sheets can be entered per school
 - KS2/P4-7 level – Maximum of five pledge sheets can be entered per school
- All entries are clearly marked with the pupil's name and age, school name and contact details.
- I'm sending in a copy of my school's sun protection policy (if available)*

*Please note, submitting a school protection policy is not mandatory. We will not use submitted policies to judge the competition but to inform the way that SunSmart works with schools in the future. Developing a sun protection policy is one of the most effective measures to ensure that sun safety activities are created and implemented within the whole school environment. Guidelines on how to develop a policy are available at www.sunsmart.org.uk/competition.

- All entries are sent in one envelope along with this signed entry form and questionnaire. (Please note – we are only able to return winning entries)

Teacher's Signature:

By signing above, I acknowledge that I have fully read and agree to all of the rules, terms and conditions of this competition (available at www.sunsmart.org.uk/competition). If my school is a winning school, we agree to participate in all required publicity.

Teacher Questionnaire

How did you hear about the SunSmart Competition?

- Mail pack delivered to school
- Postcard delivered in May
- Website/e-newsletter - please specify
- Other - please specify

Does your school have a sun protection policy? Yes / No / Developing

Please tick your school's progress with the following sun protection strategies:

(The information collected will NOT be used to help judge your competition entry but to inform the way that SunSmart works with schools in the future)

	Done	Plan to do	Not doing
Installed permanent shade structure			
Planted trees for shade provision			
Seats and equipment have been moved to shady areas			
Included sun protection information in lessons			
Timetabled outdoor activities e.g. Sports Day to avoid the midday sun			
Made uniform more SunSmart e.g. hats, collars			
Pupils encouraged to wear hats when outside			
Sunscreen is available to pupils at school			
Pupils encouraged to bring own labelled sunscreen			
Teachers are asked to be SunSmart role models e.g. wear hat on playground duty			
Letters sent to parents to inform of sun protection strategies			
Information in school newsletter to parents			

- We would also like to contact you with details of other activities involving Cancer Research UK. To receive this information electronically via email please tick the box.
